A New Tomorrow

This is the time of endings, but of new beginnings, too

God sends us another year and maketh all things new . . .

Another star to follow and another start to make . . .

New beginnings, new adventures, new heights to attain

Golden opportunities to work and build again . . .

New and higher aspirations, for the future days

Seeking, dreaming, moving on down bright and better days.

. . . Patience Strong

To: MOM and DAD . . .

Thou wert our parent, the
nurse of our souls,
We were molded to manhood
by thee,
Till freighted with treasure-
thoughts, friendships, and hopes,
Thou didst launch us on Destiny's sea.

--Samuel Gilman

We, the Annual Staff of 1968, wish to dedicate the first West Central High School yearbook to those who certainly deserve this token, our parents. They, who have laughted with us, wept with us, and yes, also scolded us. It is difficult to express in words all of the love and gratitude we feel for their understanding kindness. We realize that this little act of ours cannot possibly reveal the true depth and warmth of appreciation we are trying to express, but it is our way of saying, "Thank you." Furthermore, we would like to make them proud of us by being what they have strived to mold, and by achieving those standards which they have instilled in us. We shall try to surpass this goal, and we only hope that it will be ample realization of their hopes.

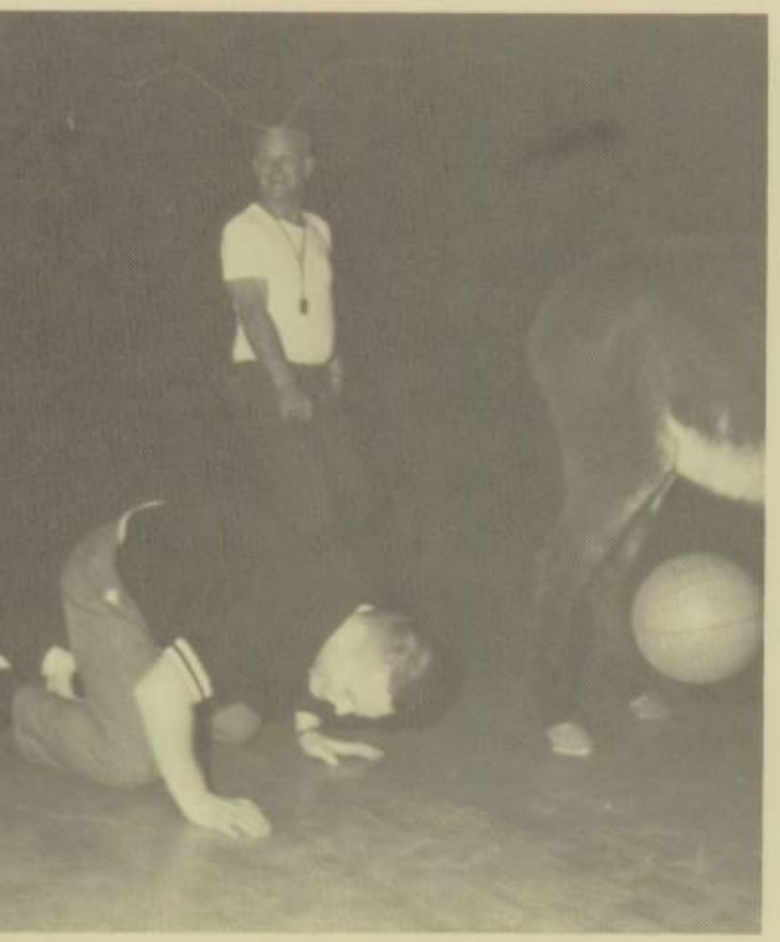
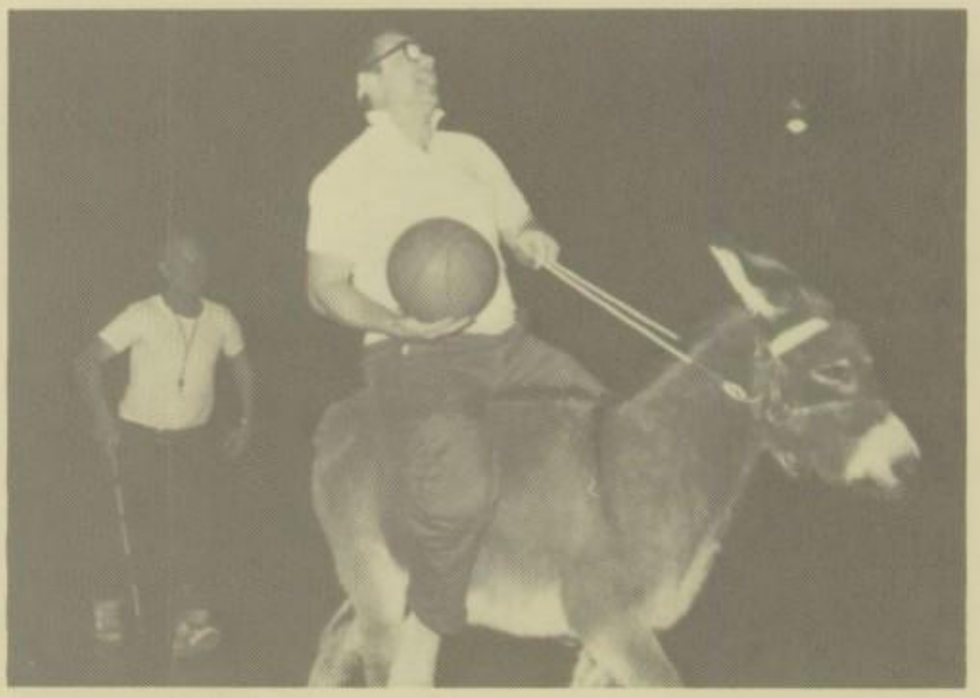
The Faculty Beat the Seniors, but They Couldn't



Two very exciting games for West Central took place in February; the Donkey Basketball game and the Seniors vs. Faculty game. Although the faculty couldn't cope with the donkeys, they knew how to handle the Seniors a few days later.

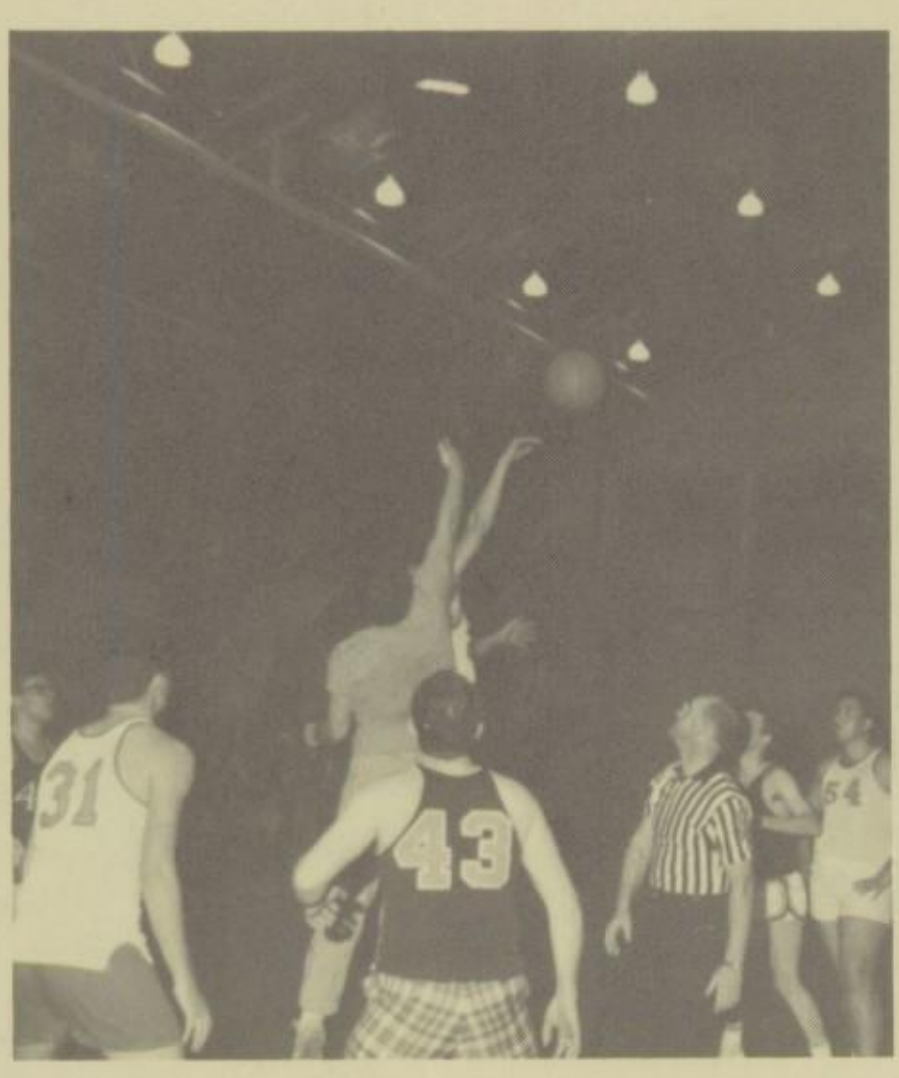
Our faculty was bounced around on donkeys to the delight of the audience. Sally, a very sassy donkey, was given to Mr. Clark and Mr. Steele for the game. Sally must not have liked men because she wouldn't let them ride for more than five seconds.



Mr. Pieske also had a "likeable" donkey; the donkey made him realize just how hard the gym floor really is.

Both the faculty and Booster Club had a tough time controlling their donkeys, but the Booster Club won over the faculty.

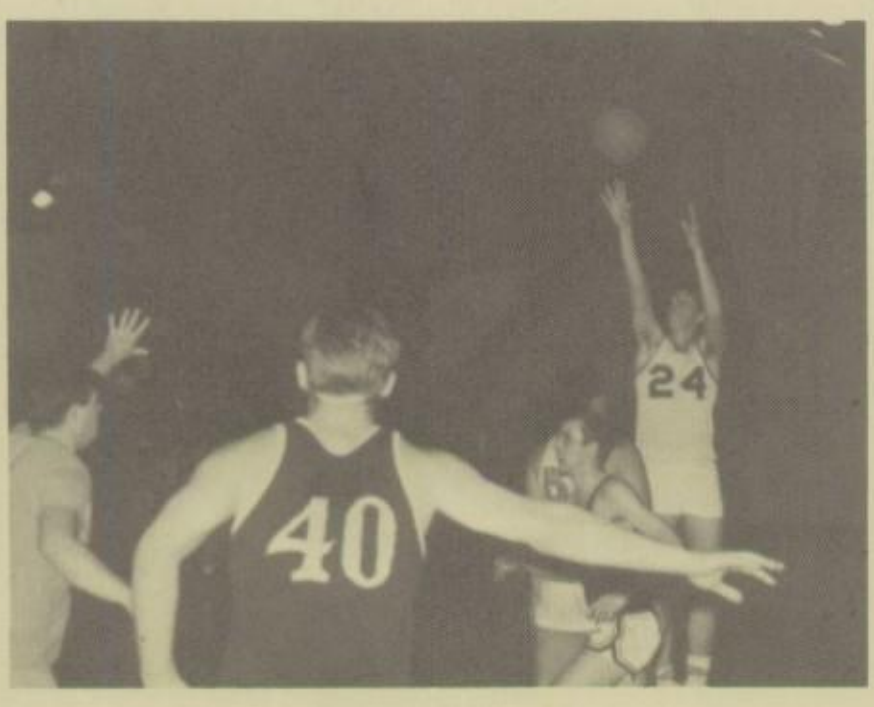
pe with the Donkeys!



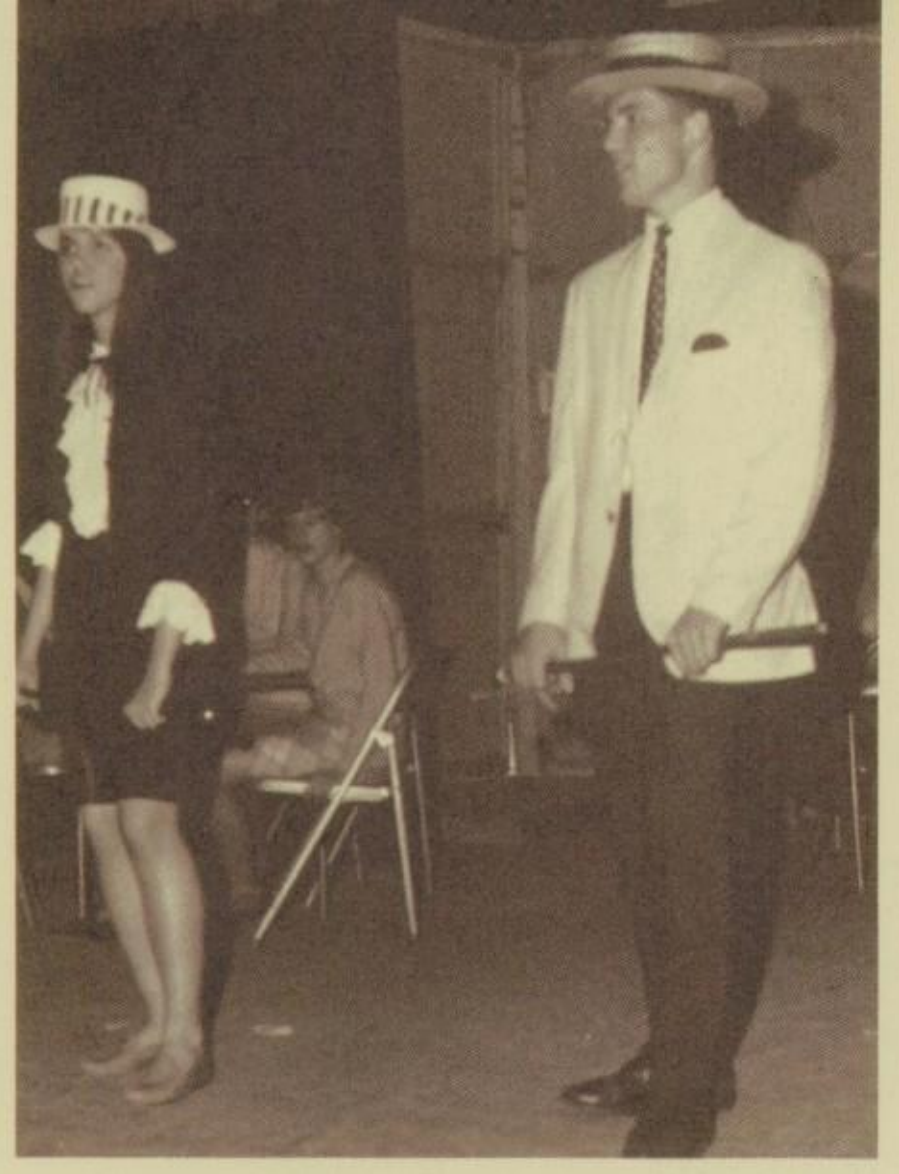
The Donkey Basketball game must have helped to get the teachers in shape because they beat the Seniors 78--75.

The Seniors out-numbered the faculty two to one, but the teachers didn't let this stop them. Even though the faculty had only a few substitutes for those who were tired, they kept the lead all the first half of the game. The Seniors took the lead in the 3rd quarter, but lost it again in the last minute of play.

This really upset the Seniors because they had bragged of the defeat the faculty was to meet; the Seniors were going to mop the floor with the teachers. The faculty taught the Seniors just what mopping meant.



Sky



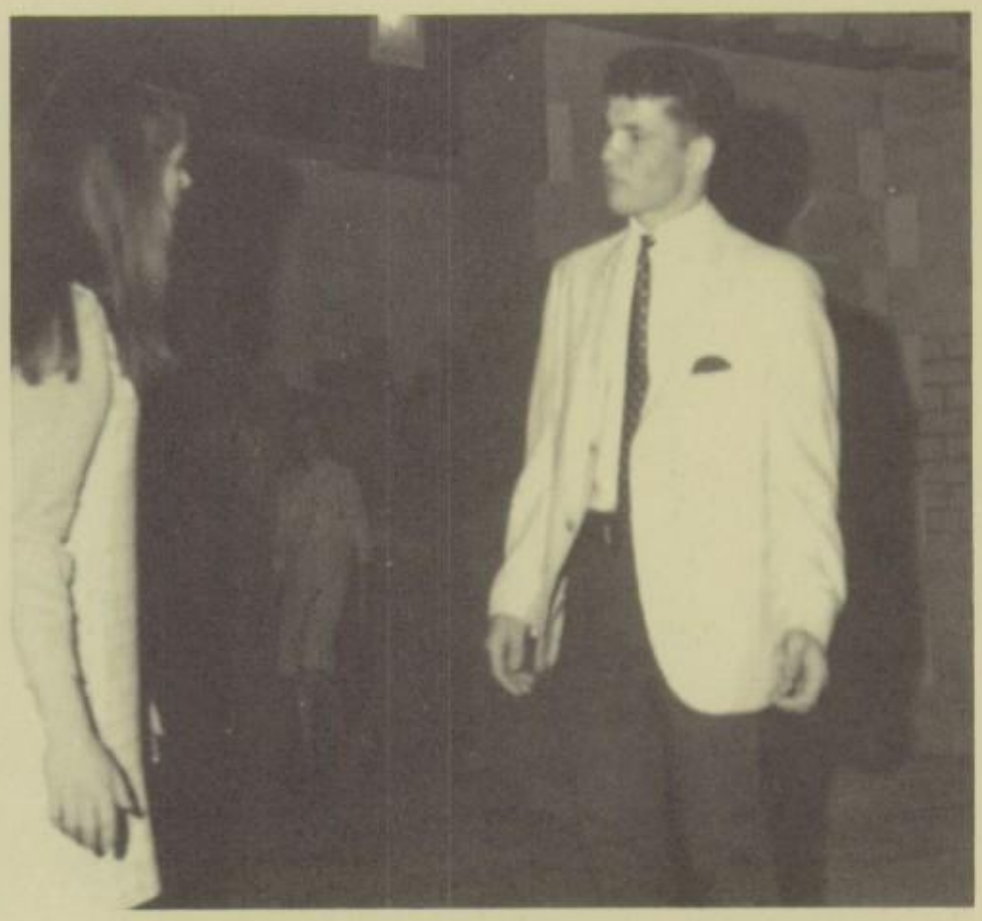
"Sky High, " West Central's first Musical production was presented to the public three consecutive evenings.

The main cast performed on Thursday and Saturday with the understudies presenting the play on Friday evening.

The lead parts were performed by the following cast and understudies, respectively: Bob Winters--Chris Huber, Joe Willis; Merillee Sum-

High

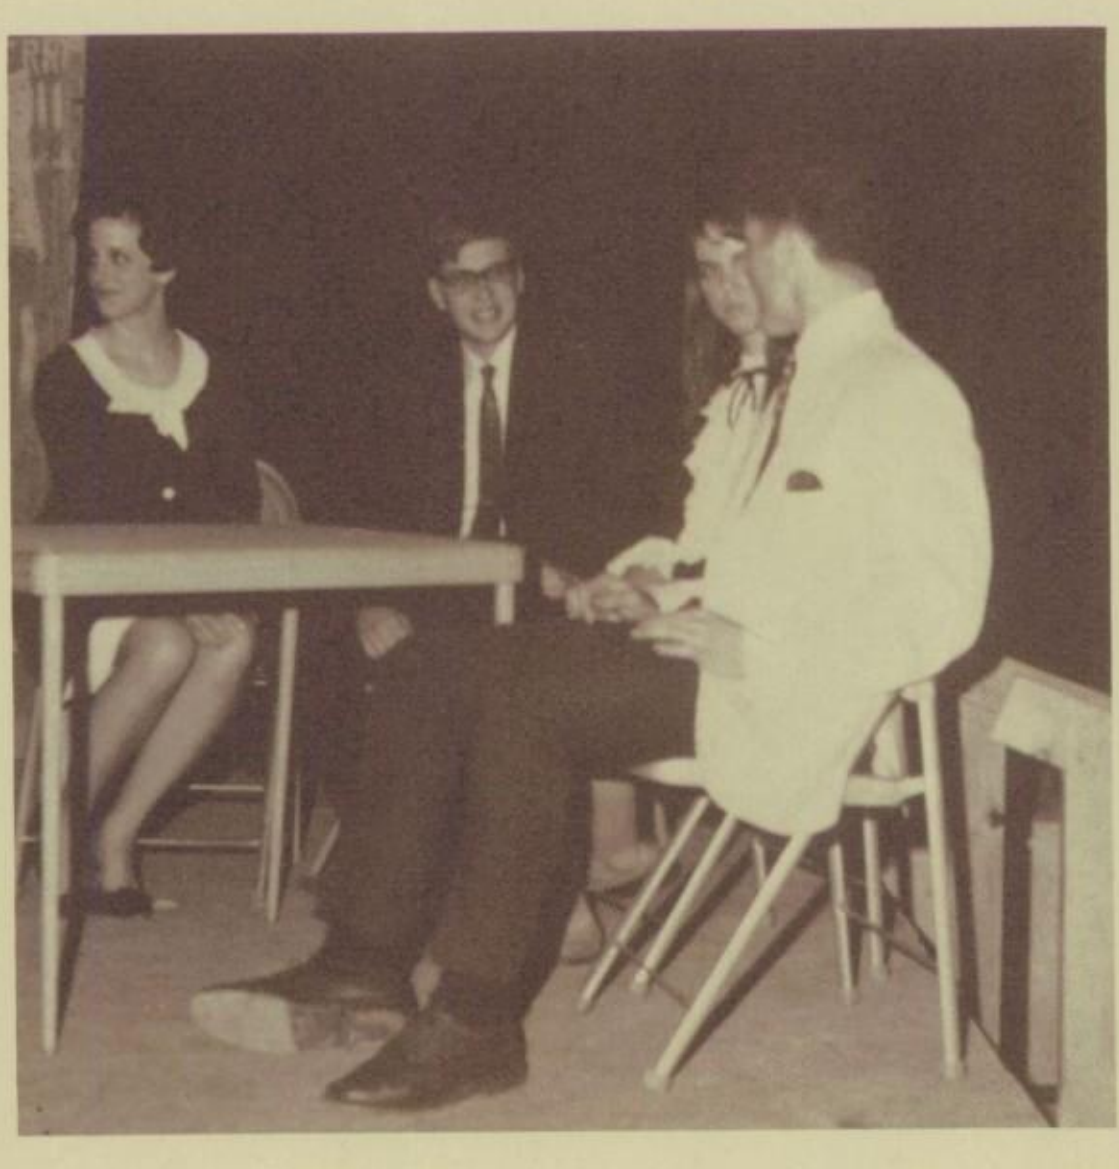
mers--Dolly Jungels, Brenda Wuethrich; Beatrice Collins--Bonnie Walters, Kathy Davis; and Franklin Russel--George Yerion, Daryl Koebcke.



The scenery represented 60th Street in New York and the Latin Quarter Night Club.

Bob Winters, an architect of a 140-story skyscraper, finds time for romance with Merilee Summers.

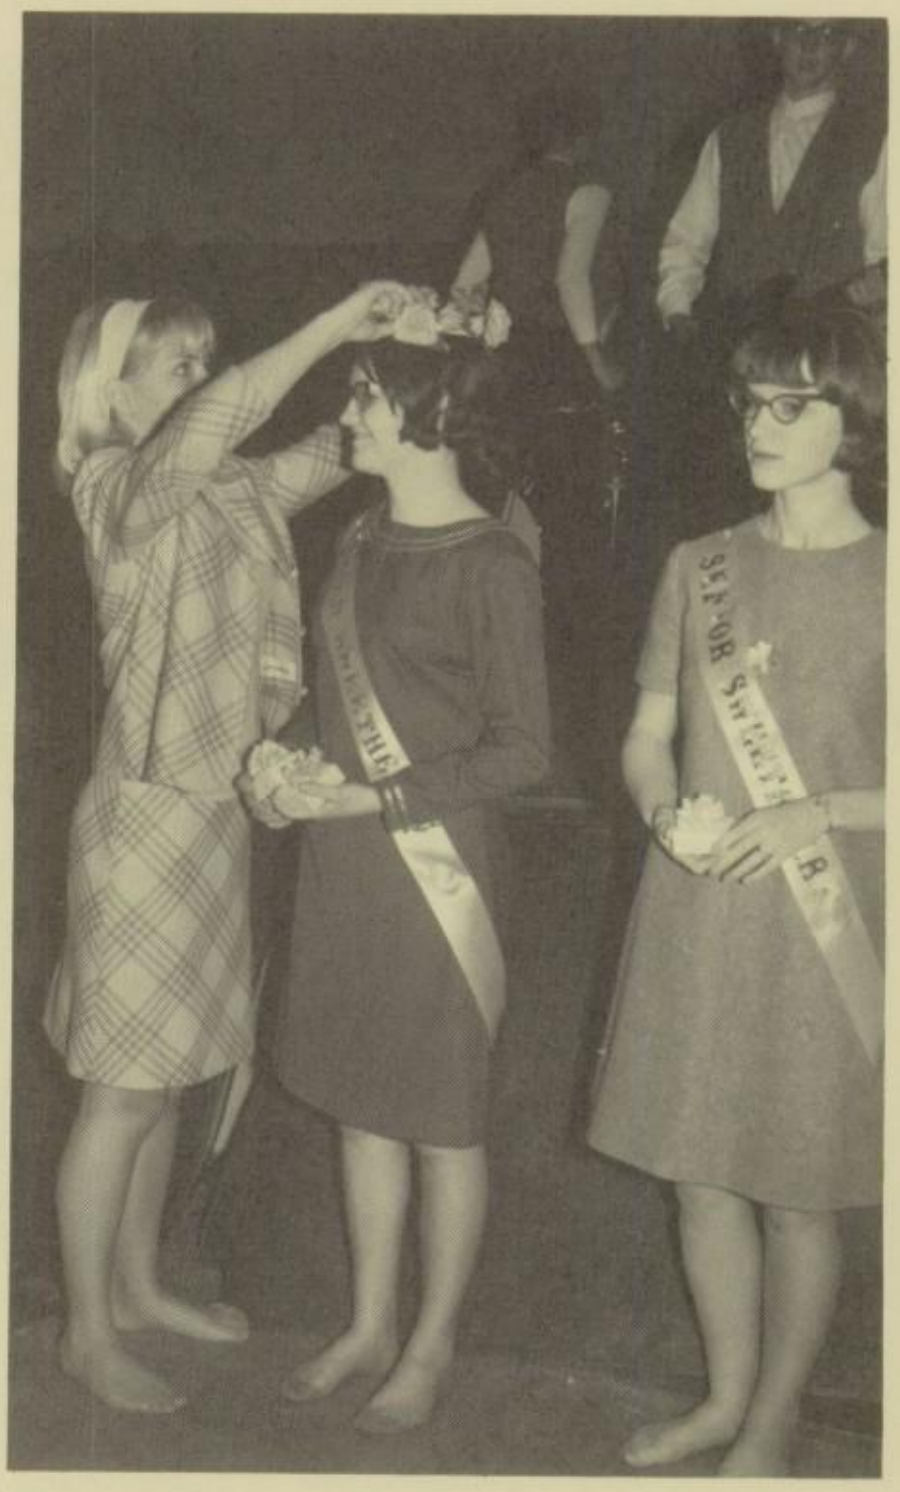
All the owners of the buildings were willing to sell, to make room for the new skyscraper, except for Franklin Russel and his girl, Bea Collins. The comedy and the disgusting and heart-breaking moments trying to persuade Mr. Russel to sell made it very enjoyable.



Crowning Highlights

West Central High School held three main dances during its first year. Each had its own highlight and purpose.

The first big dance of the year was the Christmas Dance, sponosred by the Student Council. The highlight of the evening was the crowning of the Christmas Queen. Each homeroom selected a candidate, and then the student body voted. The lucky girl crowned queen was Sandi Long. Her court included Sandy Dobson, Sandy Busch, and Tish Salrin. Everyone will long remember their first dance of the year.



Cupid Cindy Erb hopped into our SSS Sweetheart ceremony and picked out the cutie-pie from each class. These girls were Bonnie Busch, a senior; Barb Cummins, a junior; Rachelle Davis, a sophomore; and Nancy Allen, a freshman. They each wore a ribbon symbolizing their title.

During the Sweetheart Hop, following the Star City game, our Sunshine Society President, Sandi Long, crowned the SSS Sweetheart, Barb Cummins. This memorable day was enjoyed by all the students.

Since the girls are always being honored as a queen or sweetheart, the FHA members decided to sponsor a Mr. Irresistible Dance to honor the male students. The members chose three boys from each class to compete for this title. Each of the girls in high school could cast a vote for the candidate she liked best. Chuck Meyer, a senior, was crowned "Mr. Irresistible" at the dance. First runner-up was Sam Alva, a junior; second runner-up was Brad Wuethrich, a freshman; and third runner-up was Tivis Napier, a sophomore. The night turned out to be a lot of fun for all who participated in it.

Wondering who would be crowned, and when and how he or she would be crowned, added to the excitement and enjoyment of these dances.

"Drifting

The Juniors and Seniors really felt like "Drifting Forever" the night of the prom.

The evening started with a banquet in the dining room at Halleck Center. After a delicious dinner, everyone went to the Ballroom for the formal dance.

The highlight of the evening was the crowning of the King and Queen, Gary Coburn and Michelle Salrin, and the Prince and Princess, Sam Alva and Carolyn Metzger.

Forever"

Following the coronation, everyone participated in the Grand March led by Mr. a and Mrs. Clark.

The Juniors put a lot of time and effort into making the prom a success. The ballroom was decorated to represent an underwater scene, and couples "Drifted Forever" to music by "The Coming Things."

A post-prom was held in the school gymnasium after the formal dance.

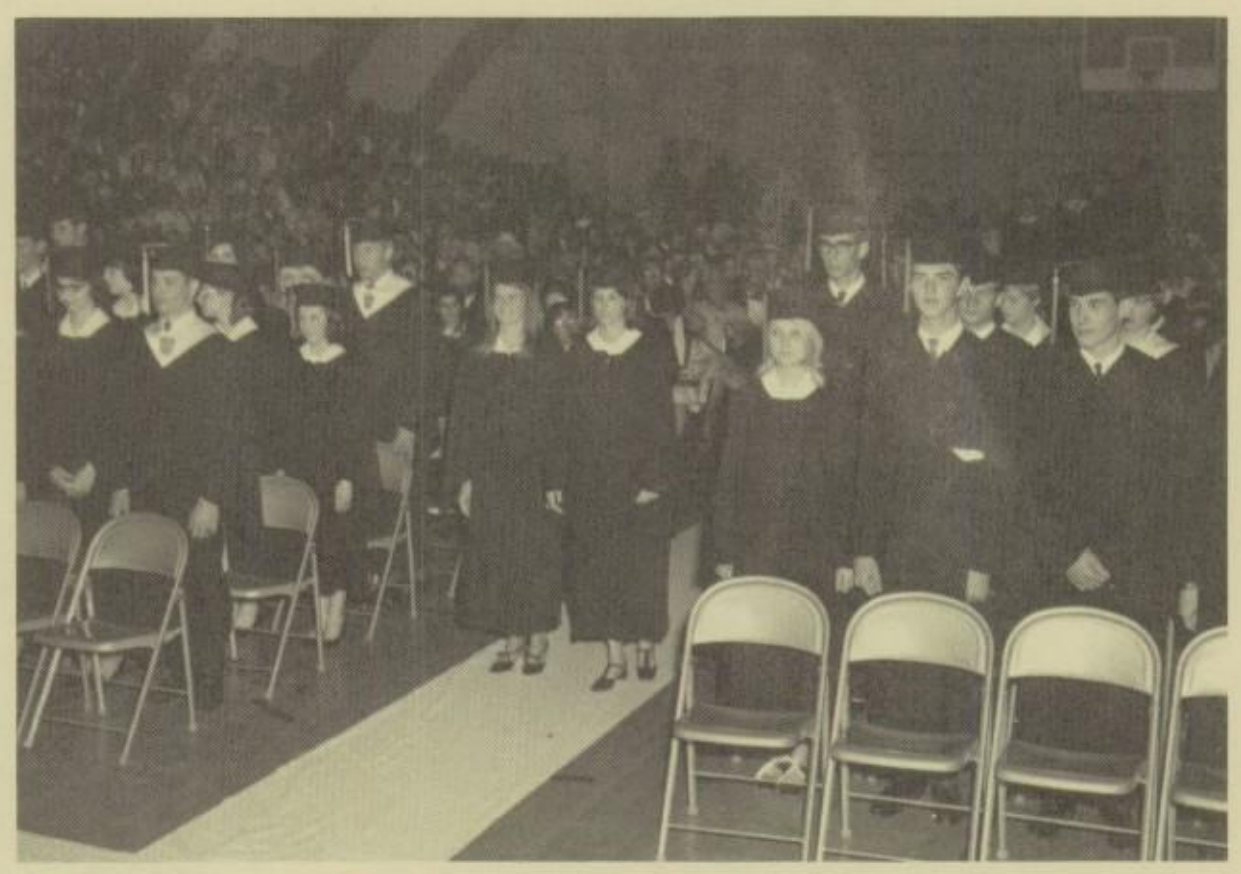
Bright and early Saturday morning (4:00 a.m.), the Senior class left by jet on an exciting, four-day trip to Washington and New York. For many of the seniors, this was their first flight.

Among many of the sites seen were the White House, the Capitol, Arlington National Cemetery, the United Nations, Lincoln Center, and Radio City Music Hall.

Reluctantly, the Seniors left New York on Tuesday evening, April 2. They arrived home early Wednesday morning, tired but happy.

Graduation . . .



The Class of 1968 was both glad and sad to be the first to graduate from West Central High School.

Baccalaureate and Commencement were held on May 19, 1968. The speaker for Baccalaureate was Reverend Dehn of the Medaryville Methodist Church. We were honored to have as co-valedictorians Veronica Bucher and Carolyn Oliver, who delivered the Commencement addresses. Tom Tillett, salutatorian, acted as the Master of Ceremonies.

Smiles and tears were mixed as the graduates stepped into their bright but unknown future.

Nancy Allen, SSS Freshman Candidate, having a good time!

West Central's Sunshine Society was engaged in numerous activities this year. They kept the tradition of the former schools' societies by giving to the Riley Fund. This money goes to the Riley Children's Hospital in Indianapolis. The girls also brought stuffed animals for the children.

The society had a Bake Sale for its money-making project. The project was successful, for the girls made over $200.

The Sweetheart Dance was held after a home game near Valentine's Day. Four candidates, one representing each class, were chosen from the girls in Sunshine. Barb Cummins received the honor of being crowned queen.

A Note from the Editor . . .

I would like to take this opportunity to thank all the members of the 1968 annual staff, who have devoted their time and ability toward making our first West Central High School yearbook this great success. Working with them has been a memorable experience for me, and I feel certain this year has left many enjoyable memories with them also.

This first year of West Central High School has been an experience in itself, for all of the students; and we, the annual staff, have tried to capture on these pages much of the happiness, many of the hopes, and yes, some of the heartaches that have been so much a part of this period. This has been a time of adjustment for us all, but it has also opened many new doors to us; it has introduced many new friends, and it has taught us to be responsible young adults. I know that, despite many differences, we are all striving to achieve one goal, "A New Tomorrow."

At this time I would like to extend a special acknowledgment to our sponsor, Miss Bleile, who has made this project possible for us. We have all appreciated her patience, her understanding, and perhaps most of all, her humor while guiding us through these past months of constructing TROJANS IN PROFILE.

In conclusion, I would also like to thank Mr. Graham, our advisor, for the assistance and helpful advice he has given me throughout this year.

Dolly
